

TaxPass

Taxpayer Mobile App

Getting your taxes done has never been more convenient!

With our new TaxPass Mobile App, you can start your tax return, upload your W-2 and other supporting documentation, and even sign your final tax return all from the comfort of your home!

- Start your tax return
- Share documents securely with our tax office*
- Approve your final tax return and submit your signature remotely from your mobile device
- Check the status of your tax return and refund
- Message your tax preparer directly from the app
- Look up the location and directions to our tax office
- And much more!

* Documents can only be uploaded one time through the app for the 2017 Tax Year.
